OTHER FORMS OF SUPPORT AND GIFTS

You can also just donate a small amount and get special gifts (post-cards, eco-bags, organic honey, tea & soap, your name forever on a brick, etc.)
Visit our [crowd-funding campaign here](#).

And we would love to host you at the Training Center in Moldova!
Special offer just for investors: a weekend for two people in Rîșcova - cozy accommodation and amazing home-made local food: 50% discount - 60 €

HOW IS THE PROJECT FUNDED AND MANAGED?

The total cost of the center is 75.000 €. We are investing 10.000 € of own resources, raising about 25.000 € through donations, earning 5.000 € through providing event services. So 35.000 € will be collected as a loan and you can be a part of it! Your money will be used for building the walls and the roof and inner arrangements of the center.

The construction, operation and ownership of the Eco-training center is managed by the EcoVisio association in Moldova.
